 **RISK IT ALL** 
IN ORDER TO WIN

A photograph showing the backs of two men wearing black jackets with bright green shoulder accents. The jackets feature a circular logo with the text 'THE CLUB' and 'MOTORSPORT LIFESTYLE'. The background is a blurred motorsport event. A semi-transparent yellow rectangle is overlaid in the center, containing the text 'OUR STORY'.

OUR STORY

THE CLUB MOTORSPORT STORY

THE CLUB was created at the beginning of 2015 from the idea to make motorsport become a **lifestyle**.

The **dream** was to bring together a group of people who loved this sport and who live their own lives feeding a big **passion**, which is born from **car races** and can offer a lot to those who love it. It unites the passions of those who love races and find the conducting thread able to create **collaborations** and work projects.

From there, there was the idea to share the “**motorsport emotions**” with dynamic companies, able to see the **value** of marketing operations linked to this sport and the **gratification** of their own **employees**.

A vision linked to everyday life, feelings, and passion

OUR TEAM

A man with a grey beard and hair, wearing a grey hoodie, is leaning on a red metal stand in a workshop. He is looking down thoughtfully. The background shows a workshop with various tools and equipment, including a yellow container and a red fire extinguisher. The lighting is dramatic, with a strong light source from the left creating a lens flare effect. The overall scene conveys a sense of focus and expertise in a technical environment.

THE TEAM

The Team is made of professionals from the sector who multiply victories in their résumé.

After our beginning in 2015 we have raced in the **Mitjet Championship**, conquering **16 victories** among the Italian and French championships, winning in 2017 in Italy and in 2018 the absolute championship.

The beginning in **NASCAR WHELEN EURO SERIES** was in 2017 .
